

SUPER SAFE HIRE

DUNNYS R US

RUBBISH CAGES

- ✓ It is compulsory to have rubbish containment areas on every building site
- ✓ Most local councils will fine sites that do not have a cage
- ✓ Galvanized welded mesh cages with a closable lid to contain building site rubbish are available
- ✓ Strong durable galvanized frame – easy to lift off from top of rubbish pile
- ✓ If required, we can also arrange the rubbish to be cleared for you
- ✓ Placement is discussed at the time of order and we endeavour to place the rubbish cage in the preferred location ensuring the driveways are clear of obstacles and provide good site access.

Sizes Available

1.2 cubic metres

2.5 cubic metres

5.0 cubic metres (collapsible)
