

PORTABLE SITE BOOTH

- ✓ Worksafe legislation now requires all tradespeople to be inducted to each job site
- ✓ They must have access to:
 - ✓ A first aid kit,
 - ✓ OH & S documentation
 - ✓ And Safe Work Method Statements at all times.
- ✓ These site booths allow companies to abide by Worksafe regulations simply by containing all these site requirements within the lockable site booth for site inductions
- ✓ They also provide a secure booth for leaving site plans or instructions for various trades
- ✓ Tough, strong and durable to withstand the toughest Australian conditions with insulated twin skin walls – cool to touch
- ✓ Safe non slip floor
- ✓ Easy to keep clean and hygienic with high density polyethylene walls and all stainless steel fasteners
